ABOUT US

Panda's Events & Entertainments is amongst India's most successful Corporate Event Management Companies, delivering and managing events, meetings and conferences across India.

Our established work processes help us provide highly effective solutions for Corporate Events (Conference & Seminar Management, Award Ceremonies, HR Initiatives, etc) and several variants of Live Events.

Despite our focus on the corporate market, we dedicate equal attention to weddings and other personal events, through our sister concern www.pandasevents.com. We incorporate originality and creativity to create some of the most inspiring, unique and exciting celebrations you will witness, with a keen eye for detail and an intention to exceed our clients expectations.

OUR RESOURCE NETWORK

An account management structured approach allows us to give our clients a dedicated resource to manage all their events which helps maintain clear communication and transparency without compromising on consistency in quality.

Through our Head offices in Visakhapatnam and Branch Office in Srikakulam, our wide network of vendors spread across India and abroad, we successfully manage events for some of the largest corporations in India, which are part of different sectors within the corporate spectrum.
